

The mission of Life to Romania is: -

**‘to reach out to Romanian young people from all backgrounds in the name of Jesus Christ
by training, encouraging and supporting young Romanian Christian youth leaders’**

This is our mission statement copied from our freshly re-launched website www.life2romania.org. Please take the opportunity to look through the contents and, like ourselves, become excited about the future of the project. It contains all sorts of new features including news blogs, interviews, testimonies and information about involvement in the project.

Praise points

- That the revamped website will attract the attention of a whole host of new people and, also, would-be volunteers in the UK
- That the flyer prepared for the youth conference in Southport recently will reach the appropriate audience
- That Calin has maintained weekly clubs in a variety of villages around Petrosani including Petrila, Lonea, Cimpa, Negomir, Gura Luimezi.
- That the church leader in Gura Luimezi who had issues with the work last year has been reconciled and is now fully on board
- That Calin has encouraged the youth in Negomir to become more involved with the support of that church
- That the leaders meet regularly with Calin every Monday for prayer and fellowship as well as planning
- For the Lord’s provision in ensuring newly appointed trustees (Christopher Roberts and Anita Riley) with the exact skills and experience that will take the project forward.

Prayer points

- **Please pray earnestly for Freda and family as they grieve the sad loss of Malcolm, a mighty man of God who went to the Lord on 16th October this year after a short illness. The salvation of thousands of people will be his abiding testimony.**
- Pray for Cornel, the leader of Cristia that he will continue to lead with wisdom and commitment, especially with Camp Cristia near Voronet
- That the new and fresh approaches of Life2 Romania will reap a harvest of volunteers next summer
- Prayer for Calin to help him lead and train others using what he calls the ‘Peter’ course
- Pray for the village of Valeni where we would love to start a group but we need young people who could lead them.
- That the Trust will prayerfully consider further new trustees in the meeting it intends to hold in January in Birmingham.

God Bless You all,

David Moffoot (Chair)
