

**MARCH 2009**

We continue to rejoice in the work that is presently expanding in the Petrosani area of Romania and we are hoping to send a number of volunteers to help Calin support up to 12 Holiday Clubs and camps in July and August. January and February were months in which all the trustees have actively encouraged people from their own and neighbouring churches to participate through presentations, flyers and handouts. Whilst this has aroused genuine interest, we are still in real need of more volunteers. If any of you are interested in either volunteering or for one of us to visit your church to give a short presentation please contact one of us listed on [www.life2romania.org](http://www.life2romania.org). Also, we do have very attractive and colourful handouts, which can be placed at the back of your church to advertise this worthy enterprise. Possibly, you may wish to help out by asking friends from other churches to build awareness. Incidentally, the new, revised and very glossy looking application form can now be downloaded from the website and you are most welcome to apply yourself or encourage others to do so. We have also had an extremely exciting offer of taking goods across to Romania via a lorry in April. If anyone wishes to help out with any sort of weekly club materials, please let one of us know so that we can work out how they can be collected or posted.

**Praise points**

- For all the young people that help with running the Sunday schools.
- All financial support we have been given so that we can run the groups.
- For Calin who maintains weekly clubs in 7 different locations despite the vagaries of harsh winter conditions.
- For the new work that has started up in the little town of Rovinari, which takes place in the local Baptist church.
- That the leaders meet regularly with Calin every Monday for prayer and fellowship as well as planning.

**Prayer points**

- Pray for Calin who had to step in for the leader of Valeni who became ill.
- Pray for an increase in the number of volunteers who will come forward between now and the cut-off point in late April.
- That materials and crafts will be sent in abundance using the lorry offer.
- Nice weather in the summer so that all the children can have a good time in the camps.
- To have enough young people and volunteers to help this summer.
- Pray that enough Romanian leaders will be recruited to staff the ambitious plans for the summer programme.
- Pray that the new training materials that Calin has received will bring fruit and harvest to future youth leaders of tomorrow.

May I take this opportunity to thank all of you for your continued interest and prayer support. It is so encouraging when Christians unite with a real sense of purpose and vision. Please do let me know if there is anything extra you would like me to include in these letters.

God Bless You all,

David Moffoot (Chair)
